After the first 30 days of eligibility, you can enroll in the Plan at any time with EVIDENCE OF INSURABILITY.

What if I don't enroll when I am first eligible?

After the first 30 days of eligibility, you can enroll in the Plan at any time with Evidence of Insurability.

Do I have to re-enroll for coverage every year?

No, you do not have to enroll in the Optional Life Insurance Plan each year. Your coverage will continue until you make a change in your benefits or you leave the Company.

Evidence of Insurability

If you enroll within 30 days of the date you become eligible to participate, EVIDENCE OF INSURABILITY is not required for coverage levels under \$1.2 million. Elections of \$1.2 million and more require Evidence of Insurability.

Beneficiaries

You can name anyone as your BENEFCIARY, including a trust or an estate, or you can name multiple beneficiaries who will split the benefit. You have to fill out a Beneficiary Designation Form naming your beneficiary.

Can I assign my benefit to someone else?

The Plan also permits an absolute assignment to an individual or a trust. See "Assigning Your Benefit" on page 13.

It is important to have a current beneficiary designation on file with the Company at all times. If you have no surviving beneficiary, the benefit will be paid to your estate.

How do I name or change a beneficiary?

To name or change a beneficiary, complete a Beneficiary Designation Form. You can download the Beneficiary Designation Form by logging onto MMC PeopleLink. Click on "View and print forms", then click on "Beneficiary Designations" and select the appropriate form. However, if an irrevocable or absolute assignment is completed, you cannot change your beneficiary under any circumstances.

Who receives my life insurance benefit if I don't name a beneficiary?

If you don't name a beneficiary, or if your beneficiary isn't alive when you die, the benefit will go to your estate.

Cost of Coverage

The following table shows the cost per \$1,000 of coverage, based on your age as of December 1 of the preceding year.

Age as of December 1	Semi-monthly Cost Based per \$1,000 of Coverage	Weekly Cost Based per \$1,000 of Coverage
Under 30	\$0.008	\$0.004
30–34	\$0.016	\$0.007
35–39	\$0.024	\$0.011
40–44	\$0.040	\$0.018
45–49	\$0.048	\$0.022
50–54	\$0.088	\$0.041
55–59	\$0.144	\$0.066
60–64	\$0.248	\$0.114
65–69	\$0.376	\$0.174
70 +	\$0.680	\$0.314

The cost of coverage increases with age because of the increased cost in providing coverage in later years.

You can elect a death benefit equal to:

- one to six times your annual base salary rounded to the next \$1,000, if not already an even multiple of \$1,000.

Example: An employee with an annual base salary of \$50,100 who elects three times optional life insurance will have a benefit of \$151,000.

This benefit is in addition to any benefit received under the Company-paid Basic Life Insurance Plan.

The Plan will pay up to a maximum death benefit amount of \$5 million.

Will my costs change?

The cost of your coverage is age-related. Your cost will change when you reach certain age brackets. Generally, these changes may occur each January 1.

The Company reserves the right to change the amount you are required to contribute at any time.

Are the rates different for non-smokers?

No, the rates for non-smokers are not different from smokers under the Optional Life Insurance Plan.

Taxes

Do I pay for my coverage with before-tax or after-tax dollars?

You pay for your Optional Life Insurance coverage with after-tax dollars.

Is the benefit payment taxable?

The benefit payment, including the Accelerated Benefit Option, is not subject to federal income taxes and in most cases state income taxes.

The death benefit may be subject to federal estate taxes.

Tax rules change from time to time. Please note that the information contained herein must not be construed as tax advice, which you can receive only from a professional tax advisor, who should be consulted on federal and state income, gift and estate tax questions.

Following your death, your beneficiary must contact the MMC Employee Service Center at 1-866-374-2662 for instructions. See the “Filing a Claim” section for additional information.

You can convert your Optional Life Insurance Plan to an individual policy or you can continue coverage on a group basis.

Converting to an Individual Policy

You can convert this Plan to an individual policy or continue coverage on a group basis if you become ineligible for this group coverage for any reason. When coverage ends, you may request conversion to an individual policy without submitting EVIDENCE OF INSURABILITY if you apply for it and make the required premium payment within:

- 31 days from the date coverage ends, or
- 15 days from the date notice is given, if notice is given more than 15 days from the date coverage ends.

However, in no event will the conversion period extend beyond 91 days from the date coverage ends.

How do I apply for conversion to an individual policy?

To apply for conversion to an individual policy, you must complete and submit a Conversion of Group Life Benefits to an Individual Policy Form, together with the required premium payment, within the timeframe described above.

You can obtain a Conversion of Group Life Benefits to an Individual Policy Form, by logging onto MMC PeopleLink. Click on “View and print forms”, then click on “Life, Personal Accident and Business Travel Insurance”, and select the “Life Insurance Conversion Form”.

Do I need Evidence of Insurability to convert to an individual policy?

No, you do not need to provide Evidence of Insurability to convert your Optional Life Insurance as long as you apply within 31 days of your coverage end date (or, if later, within 15 days of when notice of your right to convert is provided) and you make the required premium payment.

When does my individual policy take effect?

Your individual policy takes effect on the 32nd day after the date the group coverage ends, regardless of the duration of the application period.

Continuing Coverage on a Group Basis/Portability

Can I continue my Optional Life Insurance Plan coverage on a group basis when my coverage ends?

Yes, you can continue your Optional Life Insurance Plan coverage on a group basis when your coverage ends, provided you continue to make the required contributions directly to the plan insurer, and portability is available in your state of residence.

If you will be a non-U.S.-resident, you must request continued coverage before you leave the United States. Although you can be billed for your coverage at a non-U.S. address, you must pay your premiums in U.S. dollars.

To elect to continue coverage, you must submit an Election of Portability Coverage Form. You can obtain a Election of Portability Coverage Form by logging onto MMC PeopleLink. Click on "View and print forms", then click on "Life, Personal Accident and Business Travel Insurance", and select the "Election of Portability Coverage Form".

Can I change my Optional Life Insurance Plan coverage amount when my coverage ends?

Yes, you may elect the same or a lower coverage amount to be continued when your coverage ends, subject to minimum and maximum coverage levels.

Yes, the minimum coverage level is \$20,000.

Is there a maximum coverage portability amount?

Yes, the maximum is the lesser of (a) the coverage amount you had at the time your coverage ended or (b) \$1 million dollars.

When does portability coverage end?

The coverage will continue in full until January 1 of the year in which you attain age 70, when your coverage is reduced by 50% because of the increased costs in providing coverage at and after age 70.

The coverage terminates on January 1 of the year in which you reach age 80.

How the Plan Works

The Plan pays money to someone you name as your BENEFICIARY if you die during active employment.

You can elect a death benefit equal to one to six times your annual base salary rounded to the next \$1,000, if not already an even multiple of \$1,000.

Example:

An employee with an annual base salary of \$50,100 who elects three times optional life insurance will have a benefit of \$151,000.

This benefit is in addition to any benefit received under the Company's Basic Life Insurance Plan

The Plan will pay up to a maximum death benefit amount of \$5 million.

There are no exclusions or limitations for pre-existing conditions if you join the Plan when you are first eligible.

If I am disabled, does the Plan still provide a benefit?

If you are totally disabled, your coverage will continue for as long as you receive benefits under the Company's Basic Long Term Disability Plan.

Is there an additional benefit under the Plan if I die in an accident?

No, the plan doesn't pay any additional amount for accidental death.

The Company has separate accident insurance plans in which you may be eligible to participate.

If I am on an authorized unpaid leave of absence, does the Plan still provide a benefit?

You may continue coverage for up to 12 months, provided you pay the required contributions. (You may not enroll for or increase coverage while you are on a leave of absence.)

If I Die

If you die while you are an active employee, the Optional Life Insurance benefit will be paid to your beneficiary and insurance coverage ends on your date of death.

Definition of Salary

Salary for the purpose of this Plan is your annual base salary (excluding overtime, bonuses, commissions, and other extra compensation).

If my salary changes, what happens to my life insurance benefits?

If your salary changes, your Optional Life Insurance benefit amount will be adjusted on the date of your salary change provided you are ACTIVELY AT WORK if you are a MMC employee (other than Kroll) or in ACTIVE WORK STATUS if you are a Kroll employee on that day.

EVIDENCE OF INSURABILITY is not required for an increase in coverage resulting from a salary change.

Will my benefits be reduced as I get older?

There is no reduction of the Optional Life Insurance benefit because of your age.

Are there any losses not covered under this Plan?

No, the Plan pays a benefit when you die regardless of the cause of death.

Is there an additional benefit under the Optional Life Insurance Plan if I die in an accident?

No, the Plan doesn't pay any additional amount for accidental death.

The Company has separate accident insurance plans in which you may be eligible to participate.

Accelerated Benefit Option

Can I receive the benefit prior to my death?

The Optional Life Insurance Plan contains an Accelerated Benefit Option for employees. If you are certified by a medical physician to have a life expectancy of six months or less and you are not expected to recover, you may receive an "advance" (subject to certain maximum limitations) against life insurance proceeds payable at the time of your death. Currently, the maximum is 50% of the benefit, payable, but no more than \$250,000. Payment is made in a lump sum. Any payment made in advance will be deducted from the death benefit when you die.

The Accelerated Benefit Option is payable as long as you are eligible to receive this benefit and are not subject to any of the exclusions described below.

How do I file an Accelerated Benefit Option claim?

A certified claim form must be completed by your physician showing proof of your terminal illness. You can obtain an Accelerated Benefit Option claim form by logging onto MMC PeopleLink. Click on "View and print forms", then click on "Life, Personal Accident and Business Travel Insurance", and select the "Accelerated Benefits Claim Form". The Claims Administrator must then approve your request to receive an accelerated benefit.

Are there limitations to the Accelerated Benefit Option?

There are exclusions that would prevent you from claiming an accelerated benefit under the Plan. The accelerated benefit will not be paid to an employee if:

- you have assigned your benefit
- the amount of your life or death benefit is less than \$10,000

Assigning Your Benefit

Can I assign my benefit to someone else?

The plan permits absolute assignment by gift. Assignments are generally made to a spouse or an adult child, or a trustee of an executed trust agreement but it can be made to anyone. Any such assignment will irrevocably transfer the right, title, interest and incidents of ownership, both present and future, in such benefits. To assign your benefit to an individual, complete a Gift Absolute Assignment to Individual Form; to assign your benefit to a trust, complete a Gift Absolute Assignment to Trustee with Waivers and Consents Form. Return the completed form to your Human Resources Representative. The Claims Administrator must consent to your assignment in order for it to become effective.

Assignment of benefits may involve federal and state income, gift and estate tax questions. Legal advice from an attorney prior to making an assignment is recommended.
