- the date you discontinue coverage
- the date you terminate your employment
- the last date you've paid contributions if you do not make the required contributions

Note: Upon termination from the Company, you will automatically be converted to a direct bill payment option for your coverage. Auto/Home Policies Purchased Prior to April 15, 1999

I first purchased an auto/home policy prior to April 15, 1999 (that is, prior to MetLife's association with the Choice Auto and Home Insurance Program). To whom do I go for information regarding change of coverage, to update my address or to file a claim?

Several carriers provided insurance to MMC employees prior to MetLife.

- The Hartford. To change coverage amounts, to update your address information or to file a claim, contact The Hartford at (877) 287-6221.
- Chubb. To change coverage amounts, to update your address information or to file a claim, contact Chubb at (800) 248-2275.

Missing information for auto/home policies purchased prior to April 15, 1999

I first purchased one or more auto/home policies prior to April 15, 1999 (that is, prior to MetLife's association with the Choice Auto and Home Program) but cannot locate my policy documents and cannot remember the name of the carrier. What should I do?

Contact each of the carriers mentioned above and MetLife to confirm whether you have coverage. It is possible to have more than one policy with more than one carrier.

How the Program Works

Your participation is voluntary and is subject to insurance company approval. The actual insurance plan is an individual plan that you choose, based on factors you customarily consider when arranging personal insurance coverage. For example, in considering auto insurance, the insurance company may consider:

- make, model and age of the vehicle
- where you live/where the vehicle is kept (urban, rural, suburban geography)
- whether the vehicle is garaged or not
- what safety features the vehicle has
- whether the vehicle is used for work or leisure, or is mixed use
- how many miles are driven annually
- the individual's driving record
- who else in your family is licensed to drive an automobile

Primary Carriers

With the addition of Safeco Insurance as another participating carrier in 2007, the Choice Auto and Home Insurance Program rounds out its top lineup with three primary participating carriers:

- MetLife Auto & Home®
- Travelers
- Safeco® Insurance

Note: Discounts may not be available in all states and may vary based on individual circumstances.

Insurance Through the Program

There are a variety of coverages available through the program for the following types of property:

- auto
- home
- boat
- recreational vehicle
- rental (for personal property in a rental apartment OR for a building you own that you rent out to others)
- condo
- mobile home
