Evidence of Insurability may be required for each pet (cat, dog, bird and/or exotic pet).

Can I cancel my coverage and get my money back after enrolling?

Absolutely. You can cancel anytime at my.petinsurance.com or by letting Nationwide know in writing.

Evidence of Insurability

Your pet may be subject to Evidence of Insurability based on certain characteristics, such as age and breed. During the enrollment process you will be required to provide certain information about your pet. Based on your responses, you may have to provide Evidence of Insurability for your pet, including additional information about your pet's medical history. Nationwide will notify you if Evidence of Insurability is required. If your pet has a pre-existing condition or is 10 years of age or older, Nationwide will request a copy of your pet's handwritten medical history (including lab reports) for the last year. Nationwide veterinarians will review the medical history and determine if your pet is eligible for coverage or whether any exclusions need to be applied to the policy.

You must enroll each pet individually, and each pet may be subject to its own Evidence of Insurability.

If Evidence of Insurability is required, coverage starts after your pet's Evidence of Insurability application has been approved by Nationwide for pet insurance. If your pet is approved for coverage between the 1st and 15th of the month then the coverage effective date is the 1st of the next month. If your pet is approved for coverage between the 16th and the 31st of the month then the coverage effective date is the 1st of the second month following approval.

Cost of Coverage

You pay the full cost of coverage for the following options:

- **My Pet Protection with Wellness[®]** - (starting at \$31/paycheck, or \$66/month*)
- **My Pet Protection[®]** - (starting at \$18/paycheck, or \$40/month*)

* Premiums vary based on plan type, your pet and your state of residence. Your pricing may vary depending on your employer's payment schedule.

Multiple Pet Discounts

Save more when you enroll multiple pets:

- 2-3 pets = 5% discount on base medical or wellness plan for each pet

- 4+ pets = 10% discount on base medical or wellness plan for each pet.

For a quote on the cost of coverage for your pet refer to Nationwide's Website, http://www.petinsurance.com/affiliates/mmc_pr, elect the Quick Quote link and follow the steps. You pay the full cost of coverage.

How do I pay for coverage?

You pay for coverage through after-tax payroll deductions.

How do I pay for coverage if I take an unpaid leave of absence?

Coverage will remain in effect, provided you continue to make the required contributions. Eligible employees may continue to make the required group rate contributions through the end of your policy period, directly to Nationwide through direct billing.

How do I pay for coverage if I take a paid leave of absence?

Coverage will remain in effect. Your cost for coverage will continue to be withheld from your pay.

Will my costs change?

Your cost for pet insurance may change. Nationwide reserves the right to change the amount you are required to contribute at any time.

Taxes

Do I pay for my coverage with before-tax or after-tax dollars?

You pay for your pet insurance with after-tax dollars.

When Coverage Starts

Coverage starts after your pet's Evidence of Insurability application has been approved by Nationwide for pet insurance. If your pet is approved for coverage between the 1st and 15th of the month then the coverage effective date is the 1st of the next month. If your pet is approved for coverage between the 16th and the 31st of the month then the coverage effective date is the 1st of the second month following approval.

For example, if your pet is approved for coverage on February 3rd, the coverage effective date would be March 1st. If your pet is approved for coverage on February 18th, the coverage effective date would be April 1st.

Policy Term

A policy term is defined as one year of coverage (that is, 12 months from the date coverage becomes effective).

Do I have to re-enroll each year?

No, generally you do not need to re-enroll each year, but each year the determination will be made and communicated whether re-enrollment will be required for the upcoming year.

Changing Coverage

You can change your level of coverage or discontinue coverage at any time.

Employees who are already enrolled will have the opportunity to change plans only during their regular renewal period by calling +1 800 225 2265. All plan changes are subject to underwriting approval. You may have to provide Evidence of Insurability to increase your pet's coverage level. Each pet may be subject to its own Evidence of Insurability.

You can decrease your pet's coverage level or discontinue enrollment by calling Nationwide at +1 800 225 2265 and speaking to a representative.

When Coverage Ends

Coverage ends when the first of the following occurs:

- the date of your death
- the date the program is terminated
- the date you no longer meet the eligibility requirements
- the date you discontinue coverage
- the date you terminate your employment
- the last date you've paid contributions if you do not make the required contributions.

Note: Upon termination from Marsh & McLennan Companies, you will automatically be converted to a direct-bill payment option for your coverage. Upon renewal, you will lose any discounts that are applicable to your status as an active employee.

Portability

If your employment terminates, you can continue coverage on a group basis through the end of your policy term, provided you continue to make the required contributions to Nationwide through direct billing. When your policy term ends, you have the option to convert to an individual policy.

How the Plan Works

Pet insurance, from Nationwide, is made directly available to all eligible employees. Marsh & McLennan Companies' sole function with respect to the program is permitting it to be publicized to employees, collecting premiums through payroll deductions and remitting them to the insurer. Generally, care is covered after you meet your deductible and submit a claim for reimbursement of medical expenses for your pet. You can visit any licensed veterinarian or specialist nationwide, with no limitations. There are two options under the Plan: My Pet Protection with Wellness[®] and My Pet Protection[®].

How does the deductible work?

A low annual deductible of your choice applies to the medical coverage plans. Once you meet your deductible, you will be reimbursed 90% of your vet bill. A \$250 annual deductible and \$7,500 maximum annual benefit apply to both plans.

What is a pre-existing condition?

A pre-existing condition is any illness or injury your pet had before coverage started. If you have medical records from your veterinarian showing that your pet's condition has been cured for at least six months, you may be able to receive reimbursement.

What are my payment options?

Payroll deductions, monthly and annual payment options are available. For the monthly and annual options, credit cards, debit cards and checks are accepted for payment.

Are medical records required for enrollment?

Not always. Sometimes medical records are requested for clarification so Nationwide can ensure you receive all the benefits available under the plan.

Are prescriptions covered under my policy?

Yes. FDA-approved prescriptions for covered medical conditions are eligible for reimbursement.

Will a pet be dropped from coverage because of age?

No. As long as your pet is enrolled before age 10 and you keep your policy continually in force (it does not lapse or expire), your pet will not be dropped from coverage.

Once I enroll, how long before my policy is effective?

Most policies have a 10-day waiting period once your application is approved and payment is received. For questions, call +1 800 225 2265 and speak with a representative.

How does my veterinarian receive payment?

You pay your veterinarian directly and then submit a claim to Nationwide. Nationwide will adjust your claim and reimburse you according to your plan.

Does my pet insurance policy cover diagnostic testing?

Yes. You are reimbursed for diagnostic tests as long as the medical condition is covered by your plan.

Is there a list of veterinarians I have to use?

With Nationwide, you're free to visit any veterinarian, anywhere—even specialists and emergency providers.

Are anterior cruciate ligament (ACL) injuries covered by my policy?

Yes. There is no waiting period for ACL injuries and no limitations unless the ACL injury occurred prior to the policy effective date.

What if I don't know my pet's exact age?

If you do not know your pet's age, take your pet to the veterinarian for a physical exam that includes an age estimate.

ACTIVELY-AT-WORK

As a new hire, you are "Actively-At-Work" on the first day that you begin fulfilling your job responsibilities with the Company at a Company-approved location. If you are absent for any reason on your scheduled first day of work, your coverage will not begin on that date. For example, if you are scheduled to begin work on August 3rd, but are unable to begin work on that day (e.g., because of illness, jury duty, bereavement or otherwise), your coverage will not begin on August 3rd. Thereafter, if you report for your first day of work on August 4th, your coverage will be effective on August 4th.
