Beneficiaries

How do I name or change my beneficiary?

You can name anyone you wish as a BENEFICIARY. To name or change a beneficiary, go to Colleague Connect. Click **Career & Rewards** and select **Mercer Marketplace Benefits Enrollment Website** under Tools.

You are always the beneficiary if your covered family members die.

Can I assign my benefit to someone else?

The Plan permits absolute assignment by gift. Assignments are generally made to a spouse or an adult child, or a trustee of an executed trust agreement. Any such assignment will irrevocably transfer the right, title, interest and incidents of ownership, both present and future, in such benefits.

To make an Assignment of Insurance, Absolute Assignment forms are available on Colleague Connect (<https://colleagueconnect.mmc.com>). Go to Career & Rewards, and select **Find a Document**.

The assignment form must be reviewed, approved and authorized by the appropriate insurance company representative.

Assignment of benefits may involve federal and state income gift and estate tax questions. Legal advice from an attorney prior to making an assignment is recommended.

How the Plan Works

If you die as a result of an accident during Company business travel or commuting, the Plan will pay a death benefit amount equal to five times your SALARY, with a minimum benefit of \$150,000 and a maximum of \$2,000,000.

- DISMEMBERMENT benefits are paid at a percentage of the death benefit.
- Certain types of losses are not covered.
- The loss must be directly related to the injuries from the accident and the loss must take place within 365 days of the accident to be covered under the Plan. The BENEFICIARY must file a written notice of a claim within 20 days of the date of loss and must submit proof of loss within 90 days of the date of loss.
- The Plan pays for a covered loss regardless of any other insurance coverage you might have. The benefit under this Plan is reduced by any other Business Travel Accident Insurance Plan carried by the Company.
- You have benefits under this Plan for your spouse, children, domestic partner and children of a domestic partner if they are approved to travel with you on approved Company business, or relocation travel that is paid for by the Company.
- If more than one covered person is involved in the same accident, the Plan's payment is limited to \$50,000,000 per aircraft accident for all covered persons involved in the accident. For war risk, bomb scare or terrorism events, the Plan's payment is limited to \$50,000,000 per accident.
- The maximum for long-term disabled employees who are on the rehabilitative benefit and are working less than 30 hours per week is five times their salary prior to disability, up to a maximum of \$2,000,000.
- Some restrictions apply.

If you are a temporary employee and die as a result of an accident during Company business travel or commuting, the Plan will pay \$150,000.

Spouse and Domestic Partner Benefits

If your spouse or domestic partner has been pre-approved by the company to accompany you on Company business or relocation travel at the expense of the Company, the Plan will pay accidental death benefits of \$100,000, payable in one lump sum.

Dependent Children Benefits

If your dependent child has been pre-approved by the company to accompany you on Company business or relocation travel at the expense of the Company, the Plan will pay an accidental death benefit of \$25,000 for each child, payable in one lump sum.

Coma Benefits

If you suffer an accident which is covered by the program and as a result of the accident, lapse into a COMA, a benefit is payable. The benefit payable is based upon 1% of your principal sum benefit, payable monthly for each month you remain in a coma. There is no benefit paid for the first 30 days of the coma. The benefit ceases on the earliest of the following dates:

- the date you cease to be comatose due to that injury,
- the date of your death, or
- the date the total amount of the monthly coma benefits paid for all injuries equals 100% of the principal sum benefit.

Only one benefit is provided for any one month of coma, regardless of the number of injuries causing the coma.

National Union reserves the right, at the end of the first 30 consecutive days of the coma and as often as it may reasonably require thereafter, to determine, on the basis of all facts and circumstances, that the insured is comatose, including but not limited to, requiring an independent medical examination provided at the expense of the Company.

Dismemberment Benefits

Restrictions

If several employees or covered persons are involved in a common accident, is my benefit affected?

If more than one covered person is involved in the same accident, the Plan's payment is limited to \$50,000,000 for all covered persons involved in the accident.
