This is a summary of the annual report of the Marsh & McLennan Companies, Inc. Health & Welfare Benefits Program, EIN 36-2668272, Plan No. 501, for the period January 1, 2014 through December 31, 2014. The annual report has been filed with the Employee Benefits Security Administration, U.S. Department of Labor, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Insurance Information**

The plan has contracts with Metropolitan Life Insurance Company, Hawaii Medical Service Association, Kaiser Foundation Health Plans Inc., and Genworth Life Insurance Company to pay certain health, life insurance, and long term care claims incurred under the terms of the plan. The total premiums paid for the plan year ending December 31, 2014 were \$15,833,533.

Because certain Metropolitan Life Insurance Company and Genworth Life Insurance Company are so called "experience-rated" contracts, the premium costs are affected by, among other things, the number and size of claims. Of the total insurance premiums paid for the plan year ending December 31, 2014, the premiums paid under such "experience-rated" contracts were \$4,390,598 and the total of all benefit claims paid under these contracts during the plan year was \$3,744,997.

#### **Basic Financial Statement**

Certain health, dental and long-term disability benefits under the plan are funded through a trust. The value of plan assets, after subtracting liabilities of the plan, was \$84,076,135 as of December 31, 2014, compared to \$83,792,383 as of January 1, 2014. During the plan year, the plan experienced an increase in its net assets of \$283,752. This increase includes unrealized appreciation and depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. During the plan year, the plan had total income of \$252,130,403, including employer contributions of \$153,325,485, employee contributions of \$95,386,763, and earnings from investments of \$3,418,155.
