Your Eligibility Date

There is no waiting period if you are ACTIVELY-AT-WORK. Your eligibility date is the first day you are Actively-At-Work on or after your date of hire.

Enrollment

You may enroll your pet for pet insurance at any time by accessing Nationwide's enrollment website, <http://benefits.petinsurance.com/mmc-pr>, or by calling +1 800 225 2265, Monday - Friday, 8 a.m. to 9 p.m. and Saturday 8 a.m. to 2 p.m. Eastern time and advising the member care representative of your employer.

Evidence of Insurability may be required for each pet (cat, dog, bird and/or exotic pet).

Can I cancel my coverage and get my money back after enrolling?

Absolutely. You can cancel anytime at my.petinsurance.com or by letting Nationwide know in writing. If you are not satisfied with your policy, Nationwide provides a money-back guarantee if Nationwide receives your written cancellation request within 10 days of your initial policy effective date. After the 10 days, Nationwide will issue a pro-rated refund of any unearned premium.

Evidence of Insurability

Your pet may be subject to Evidence of Insurability based on certain characteristics, such as age and breed. During the enrollment process you will be required to provide certain information about your pet. Based on your responses, you may have to provide Evidence of Insurability for your pet, including additional information about your pet's medical history. Nationwide will notify you if Evidence of Insurability is required. If your pet has a pre-existing condition or is 10 years of age or older, Nationwide will request a copy of your pet's handwritten medical history (including lab reports) for the last year. Nationwide veterinarians will review the medical history and determine if your pet is eligible for coverage or whether any exclusions need to be applied to the policy.

You must enroll each pet individually, and each pet may be subject to its own Evidence of Insurability.

If Evidence of Insurability is required, coverage starts after your pet's Evidence of Insurability application has been approved by Nationwide for pet insurance. If your pet is approved for coverage between the 1st and 15th of the month then the coverage effective date is the 1st of the next month. If your pet is approved for coverage between the 16th and the 31st of the month then the coverage effective date is the 1st of the second month following approval.

Cost of Coverage

You pay the full cost of coverage for the following options:

- **My Pet Protection®** – (starting at \$18/paycheck, or \$40/month¹)

¹ Premiums vary based on plan type, species, age, breed and your state of residence. Your pricing may vary depending on your employer's payment schedule. Rates and plans subject to change.

Multiple Pet Discounts

Save more when you enroll multiple pets:

- 2-3 pets = 5% discount on base medical or wellness plan for each pet
- 4+ pets = 10% discount on base medical or wellness plan for each pet.

For a quote on the cost of coverage for your pet refer to Nationwide's Website, <http://benefits.petinsurance.com/mmc-pr> and follow the steps. You pay the full cost of coverage.

How do I pay for coverage?

You pay for coverage through after-tax payroll deductions.

How do I pay for coverage if I take an unpaid leave of absence?

Coverage will remain in effect, provided you continue to make the required contributions. Eligible employees may continue to make the required group rate contributions through the end of your policy period, directly to Nationwide through direct billing.

How do I pay for coverage if I take a paid leave of absence?

Coverage will remain in effect. Your cost for coverage will continue to be withheld from your pay.

Will my costs change?

Rates will vary and may change during your renewal period only.

Do I pay for my coverage with before-tax or after-tax dollars?

You pay for your pet insurance with after-tax dollars.

When Coverage Starts

Coverage starts after your pet's Evidence of Insurability application has been approved by Nationwide for pet insurance. If your pet is approved for coverage between the 1st and 15th of the month then the coverage effective date is the 1st of the next month. If your pet is approved for coverage between the 16th and the 31st of the month then the coverage effective date is the 1st of the second month following approval.

For example, if your pet is approved for coverage on February 3rd, the coverage effective date would be March 1st. If your pet is approved for coverage on February 18th, the coverage effective date would be April 1st.

Policy Term

A policy term is defined as one year of coverage (that is, 12 months from the date coverage becomes effective).

Do I have to re-enroll each year?

No.

Changing Coverage

Employees who are already enrolled will have the opportunity to make any changes to their policy only during their individual renewal period by calling +1 800 225 2265. All plan changes are subject to underwriting approval. You may have to provide Evidence of Insurability to increase your pet's coverage level. Each pet may be subject to its own Evidence of Insurability.

You can discontinue coverage at any time by calling Nationwide at +1 800 225 2265 and speaking to a representative.

When Coverage Ends

Coverage ends when the first of the following occurs:

- the date of your death
- the date of your pet's death
- the date you no longer meet the eligibility requirements
- the date you discontinue coverage
- the last date you've paid contributions if you do not make the required contributions.

Note: Upon termination from Marsh McLennan, you will automatically be converted to a direct-bill payment option for your coverage. Upon renewal, you will lose any discounts that are applicable to your status as an active employee.

Portability

If your employment terminates, you can continue coverage on a group basis through the end of your policy term, provided you continue to make the required contributions to Nationwide through direct billing. Upon renewal, you will lose any discounts that are applicable to your status as an active employee and have the option to convert to an individual policy.

How the Plan Works

Pet insurance, from Nationwide, is made directly available to all eligible employees. Marsh McLennan's sole function with respect to the program is permitting it to be publicized to employees, collecting premiums through payroll deductions and remitting them to the insurer. Generally, eligible veterinary expenses are covered after you meet your annual deductible and submit a claim for reimbursement for your pet. You can visit any licensed veterinarian or specialist nationwide, with no limitations.

How does the deductible work?

A \$250 annual deductible applies to the medical coverage. Once you meet your deductible, you will be reimbursed up to 70% of your eligible vet bill¹. A \$7,500 maximum annual benefit applies to both plans.

¹ Some exclusions may apply. Certain coverages may be subject to pre-existing exclusion. See policy documents for a complete list of exclusions. Reimbursement options may not be available in all states.

What is a pre-existing condition?

A pre-existing condition means any condition that began or was contracted, manifested or incurred up to twelve (12) months before the effective date of this policy or during any waiting period, whether or not the condition was discovered, diagnosed or treated. A chronic condition is a pre-existing condition unless it began after the effective date of this policy.

What are my payment options?

Payroll deductions, monthly and annual payment options are available. For the monthly and annual options, credit cards, debit cards and checks are accepted for payment.

Are medical records required for enrollment?

Not always. Sometimes medical records are requested for clarification so Nationwide can ensure you receive all the benefits available under the plan.

Are prescriptions covered under my policy?

Yes. FDA-approved prescriptions for covered medical conditions are eligible for reimbursement.

Will a pet be dropped from coverage because of age?

No. As long as you keep your policy continually in force (it does not lapse or expire), your pet will not be dropped from coverage.

Once I enroll, how long before my policy is effective?

Applications for enrollment that are received between the 1st and 15th of the month will be effective on the first day of the next month. Applications for enrollment that are received between the 16th and the last day of the month will be effective on the first day of the following month. For questions, call +1 800 225 2265 and speak with a representative.

How does my veterinarian receive payment?

You pay your veterinarian directly and then submit a claim to Nationwide. Nationwide will adjust your claim and reimburse you according to your plan.

Does my pet insurance policy cover diagnostic testing?

Yes. You are reimbursed for diagnostic tests as long as the medical condition is covered by your plan.

Is there a list of veterinarians I have to use?

With Nationwide, you're free to visit any licensed veterinarian, anywhere—even specialists and emergency providers.

Are anterior cruciate ligament (ACL) injuries covered by my policy?

Yes. There is no waiting period for ACL injuries and no limitations unless the ACL injury occurred prior to the policy effective date.

What if I don't know my pet's exact age?

If you do not know your pet's age, take your pet to the veterinarian for a physical exam that includes an age estimate.

What's Not Covered for My Pet Protection® Plan

Pre-existing conditions

A pre-existing condition is any illness or injury your pet had before coverage started. No pet insurer covers pre-existing conditions. The good news is that not all pre-existing conditions are excluded permanently. See your My Pet Protection® plan for a full definition and explanation of pre-existing conditions.

If you have medical records from your vet showing that your pet's condition has been cured for at least six months, you may be able to get it covered.

Plan restrictions and other exclusions

We don't cover breeding, grooming/bathing, nail trims or boarding (unless you're hospitalized for more than 48 hours). Refer to the "What We Do Not Cover: Exclusions" section of your policy as well as your policy Declarations Page for more information.

ACTIVELY-AT-WORK

As a new hire, you are "Actively-At-Work" on the first day that you begin fulfilling your job responsibilities with the Company at a Company-approved location. If you are absent for any reason on your scheduled first day of work, your coverage will not begin on that date. For example, if you are scheduled to begin work on August 3rd, but are unable to begin work on that day (e.g., because of illness, jury duty, bereavement or otherwise), your coverage will not begin on August 3rd. Thereafter, if you report for your first day of work on August 4th, your coverage will be effective on August 4th.
