Personal Health Assessment

The Personal Health Assessment is a short questionnaire about your health status, nutritional and fitness habits, tobacco usage, etc. Your answers are used to provide you with an overview of your current risk for health problems. The Personal Health Assessment (PHA) is confidential, free and completely voluntary.

The PHA is available once per benefit year (January 1 – December 31). Taking the PHA will instantly provide you with an overall health score of your current health status and some recommendations.

What happens after I complete the PHA?

Based on the results of your Personal Health Assessment, you will receive recommendations and an action plan for improving your results. This will come in the form a Personal Scorecard. Keep in mind, only Healthyroads has access to the information you enter in your PHA.

With the Healthyroads Personal Scorecard, you can view a complete, yet easy-to-read summary of the results from your PHA and/or biometric screening—all in one place. It's personalized and specific to you, and it offers a tailored action plan based on your results and your readiness to change.

Will I need to fill out anything prior to speaking with a Healthyroads' coach?

Prior to enrolling in a Healthyroads Lifestyle Coaching Program, you must complete your Coaching Assessment and Pre-Coaching Profile (**this is in addition to the confidential online PHA that must be completed**). You will be asked about a finite list of critical conditions that are known to hinder safe participation in a Healthyroads Lifestyle Coaching Program and to attest that they you can participate safely.

Healthyroads may require you to obtain medical advice or examination before participating in a coaching program to ensure you have an appropriate medical diagnosis and are receiving appropriate treatment for any reported symptom(s) or underlying medical condition(s). Healthyroads Lifestyle Coaching Program is not a medical or mental (psychological) condition treatment intervention.

What happens after I complete the Coaching Assessment and Pre-Coaching Profile?

After you complete the Coaching Assessment and Pre-Coaching Profile and the enrollment process, Healthyroads will help you in a specific area of focus (Weight Management, Tobacco Cessation, Stress Management or Health Improvement). At each session, during ongoing participation, coaching staff will ask you if you have had any change in your medical or mental health since your last session. If you advise the coach of a change or if the coach recognizes symptoms of ill health, you will be re-asked about critical conditions and you will need to re-attest to your ability to safely participate.

Will any of my Personal Health Information be shared with Marsh & McLennan Companies?

Marsh & McLennan Companies wants you to be healthy and respects your privacy. The Company will not receive any personally identifiable health information — including your responses to the Personal Health Assessment, your biometric screening results, or information from coaching discussions.

Marsh & McLennan Companies will receive aggregate information on overall participation in the Healthyroads Lifestyle Coaching Program, but this information will not include any individual data.

When are the Healthyroads coaches available?

Healthyroads coaches are available at +1 844 641 2746, any business day, from 8:00 a.m. to 9:00 p.m. Eastern time.

How do I enroll in the Active&Fit Direct Program?

You may enroll in the Active&Fit Direct Program by going to the Healthyroads website at Healthyroads.com and click on the 'Active and Fit Direct' link under the HealthyMe Toolkit. The link will direct you to the Active&Fit Direct website to register and pay. You may also access Active&Fit Direct from the Healthyroads website through Career & Rewards in Colleague Connect.

- To enroll select the 'Enroll Now' button.
- Read and agree to the Membership Terms and Conditions.
- Create an account – enter your contact information and create a unique username and password.

- You will then be enrolled in the Active&Fit Direct Program and have access to print a fitness card, search participating fitness centers, and more.

Once enrolled, you may view or print your fitness card and take it to any fitness center in the Active&Fit Direct network. Once the fitness center verifies your enrollment in the Active&Fit Direct Program, you will need to sign a standard membership agreement with that particular fitness center and receive a card or key tag, as applicable, from the fitness center to check in on subsequent visits.

To obtain the fitness card, access the Active&Fit Direct website through Healthyroads.com. You must have access to a computer to enroll and print your fitness card or save it to your phone. Is the Active&Fit Direct Program subsidized by Marsh & McLennan Companies?

No. You pay 100% of the cost to participate in the Active&Fit Direct Program.

Can I add family members to my fitness center membership through the Active&Fit Direct Program?

No, this program is for individual membership only. However, your eligible spouse/domestic partner who is 18 years of age or older is eligible to enroll in the Active&Fit Direct Program. Your spouse/domestic partner can access the Active&Fit

Direct link through the Healthyroads website to sign up for their individual membership in the program.

Can I try out a fitness center before enrolling?

Yes, if the fitness center allows guest passes. If you are interested in a fitness center but are not ready to enroll, you may request a guest pass letter from participating fitness centers and bring it to the fitness center indicated on the letter. You must register on the Active&Fit Direct website through Healthyroads.com to obtain a guest pass.

How much does the Active&Fit Direct Program membership cost?

You pay \$25 per month (plus applicable state taxes) for access to over 9,000 fitness centers across the US. Upon enrollment, you pay a total of \$75 at registration, plus applicable state taxes (\$25 enrollment fee + \$25 membership fee for existing month + \$25 membership fee for next month). You are responsible for paying all fees via credit card or debit card to Active&Fit Direct.

You will be charged for the \$25 monthly fee regardless of the enrollment date within that month. Example: You enroll on June 25th. You pay \$25 on June 25th to access the fitness center for that month regardless of only 6 days left in the month (June 25th – June 30th).

Is there a membership minimum?

Yes. There is a minimum 3-month membership requirement. After a 3-month commitment, participation is month-to-month.

Example: You enroll on June 1st, and pay \$75 upfront (plus applicable state taxes) which is the \$25 enrollment fee, \$25 membership fee for the month of June and \$25 membership fee for the month of July, plus applicable state taxes.

You then pay \$25 on July 1st for the month of August (3rd month of membership). After that, you are eligible to cancel the membership. There is a total \$100 commitment (plus applicable state taxes) before you can cancel your membership.

When are monthly fees charged for the Active&Fit Direct Program?

Recurring membership fees are charged automatically on the same day each month as your enrollment date, starting the month after you enroll. The fee collected is for the following month's participation. If your payment date does not exist in a month, the fee will be charged on the closest day within the same month (e.g., if you enroll January 30, the recurring fee for February will be charged on February 28, the last day of the month). Each month's membership fee is \$25, plus applicable state taxes.

Once enrolled, when can I start using the fitness center?

You have access to your fitness card as soon as you enroll on the Active&Fit Direct website and can go to the participating fitness center right away.

Do I get an Active&Fit Direct fitness card? If so, how is the card obtained?

Yes. The fitness card contains your Active&Fit Direct membership number. You need your fitness card to provide to the fitness center you selected. The fitness card is available on the Active&Fit Direct website, which can be accessed by signing into your account using your unique username and password you will create during enrollment. Once enrolled, you can print your fitness card or save it to your phone, and show it to the participating fitness center. You may also call Healthyroads Customer Service at + 1 844 641 2746 to have your fitness card printed and sent to you.

If I am already enrolled in a fitness center, how do I transfer my membership to the Active&Fit Direct Program?

Active&Fit Direct network fitness centers allow you to cancel or suspend current memberships so you may enroll in the Active&Fit Direct Program at no penalty. If you decide to cancel your Active&Fit Direct enrollment, and the original fitness center membership was suspended (and not canceled), your original membership can be reinstated. If your current fitness center is not part of the Active&Fit Direct network, you should sign into your Active&Fit Direct account to find a participating fitness center.

Do I have to pay a fitness center directly to participate in the Active&Fit Direct Program?

No. You pay your required Active&Fit Direct fees directly to the Active&Fit Direct Program; you will not pay anything to the fitness center to enroll. However, you are responsible for paying any fees associated with upgrading your fitness center standard membership directly to the fitness center, if you choose to. Any non-standard fitness center services that typically require an additional fee are not included in the Active&Fit Direct Program.

What are the features available on the Active&Fit Direct website?

You can search for a participating fitness center, view billing information, print a fitness card, and more.

What happens if my fitness center is not participating in the Active&Fit Direct Program?

If your fitness center is not listed on the Active&Fit Direct website, you may nominate the fitness center by providing the name, address, and phone number on the Active&Fit Direct website. The fitness center will be contacted for possible addition to the Active&Fit Direct network. Check back periodically to see if your nominated fitness center has been added to the Active&Fit Direct network. Nominating a fitness center does not guarantee that it will be added to the Active&Fit Direct network.

How do I cancel my enrollment?

You can cancel your enrollment through the Active&Fit Direct website after the minimum 3-month membership requirement has been met and paid for. To cancel, you will need to sign into your Active&Fit Direct account and click **My Account** from the drop down

menu below your name. You will then be able to access the **Cancel Program Enrollment** link under the **Program Enrollment** section.

For example, you enroll on June 1. The 3-month membership requirement, based on your enrollment date of June 1, is the months of June, July and August. On June 1, you pay the \$25 enrollment fee, \$25 membership fee for June and \$25 membership fee for July (plus applicable state taxes). On July 1, you pay the \$25 membership fee (plus applicable state taxes) for the month of August. On July 2*, you cancel your membership. Your cancellation on July 2 means that your last day of participation in the Active&Fit Direct program will be August 31. You will no longer be charged a monthly membership fee starting August 1.

*You can cancel your membership any day from July 2 through July 31 and not be charged the monthly membership fee on August 1.

Can I continue my enrollment in the Active&Fit Direct Program if I terminate employment?

Yes. You can continue your enrollment in the Active&Fit Direct Program after you terminate your employment. Access to Active&Fit Direct would be directly through the Active&Fit Direct website, www.activeandfitdirect.com using the username and password you created during enrollment.
